@Holy\_TrinityCE

Summer Term 1 Issue No.59

Dear Parent/Carer,

Thank you to parents/carers who were able to attend the parent conference meeting and the Maths Curriculum Morning this week.

End of Key Stage 2 Tests: Monday 13th - Friday 15th May 2024

The pupils in Year 6 will be taking their end of Key Stage 2 Statutory Assessment Test next week. This is an opportunity for the pupils to demonstrate all that they have learnt in Key Stage 2. Everyone in the Year 6 Team have been working extremely hard and we are unbelievably proud of the effort and commitment that the pupils and staff have shown.

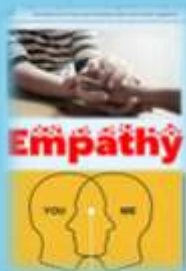

### A Prayer for Year 6 Pupils

Heavenly Father, we ask you for your blessing and assistance. Come still my heart, O Lord Calm my nerves and focus my mind. Father, I lay before you everything I have studied. May I channel all I have learnt into each SATS paper. Please give me the faith to believe I can pass this test, Yet the peace to know that all is well. Thank you that you are with me no matter what the result, Thank you that your love for me is eternal. Amen.

Year 6 School Journey: Monday 19th - 23rd May 2024

The Year 6 pupils are also getting ready to go on their school journey to Broadstone Warren. They will be leaving on Monday 20th May and returning on Friday 25th May. It promises to be a week packed full of fun and exciting activities. Thank you to all the Year 6 Parents/Carers who were able to attend the meeting last week Thursday held in the school hall. If you have any queries regarding the trip, please do not hesitate to contact Mr Brooks/Mr Payne Please remember that if your child is not going on the trip, they are expected to come to school and they will be working together for the week.

Have a wonderful weekend

God bless and keep you

Ms Thomas

**Excellence in how we worship, learn and work together!**

# Holy Trinity Values Ambassador

Our Pupil Values Ambassador this week is  
Kishanzah Fullwood-Smith

You have such an excellent attitude to learning, always eager to give your best, you have a kind fun demeanour and we are so lucky to have you in our school. Well done.

# Holy Trinity Staff Values Ambassador

Our Staff Values Ambassadors this week are  
Mr Payne & Mr Brooks

You have worked exceptionally hard in preparing our Year 6 Pupils for SATS. Thank you and Well done to you both.

**Excellence in how we worship, learn and work together!**

# Learning In Focus

Today, on Friday 10th May, parents and carers were given the opportunity to visit the school and celebrate the fantastic Maths learning that we have.

Activities included hands-on practical tasks and investigations and covered a range of different topics, from: length, area and perimeter; 3D shapes; pattern spotting; and understanding of the four operations.

A big thank you to all of the parents and carers who visited and engaged with their children's learning.

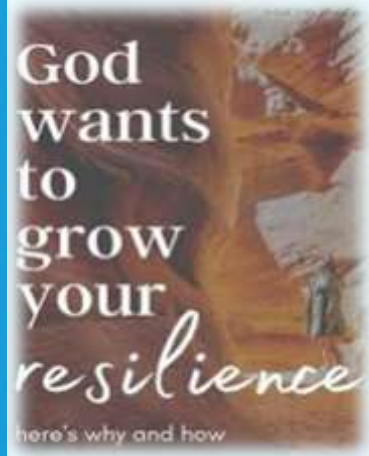

The children loved having you learning alongside them

A big shout out to both teachers and teaching assistants - who work so hard to teach Maths (and everything else!) every single day.

Thank you for all of your hard work.

**Excellence in how we worship, learn and work together!**

**I can do all things through Christ who strengthens me.**

**(Phill 4:13)**

**What does it mean to be resilient?**

**Being resilient means being able to withstand adversities that come our way. It means being able to come back stronger after we've fallen down, and to continue moving forward in the same arduous journey.**

**But how do we become resilient? Simple – by focusing your eyes on God.**

**He becomes our focus, our motivation, and our hope during tough and challenging-times.**

**Bible verses about resilience teach us how we can be strong in the Lord, and how to achieve emotional and spiritual resilience.**

**Here are few Bible verses to encourage and strengthen us:**

**2 Cor 4:8 “We are hard pressed on every side, but not crushed; perplexed, but not in despair”**

**Rom 2:7 “To those who by persistence in doing good seek glory, honor and immortality, he will give eternal life.”**

**Matth 24: 13 “But the one who stands firm to the end will be saved.”**

**God help us to cultivate the strength to be resilient when we face difficult and tough times, knowing that all is in your Hands and you are able to do exceedingly, abundantly far above what we can ever think or imagine in our lives.**

**Have a blessed weekend.**

## WHATSAPP PARENT GUIDE

AGE RATING: 13+

### ENCOURAGE CRITICAL THINKING

Have a conversation with your child about treating messages from unknown numbers with caution. When we receive a message from an unknown number, we should ask the following questions:

*Does this message sound like something a friend or family member would send?*

*Is this message asking me to share information or click on a link?*

Agree with your child that if they ever have a funny feeling about a message they receive, they will tell you about it.

### TALK ABOUT IT

Open and regular conversations about your child's activity on WhatsApp are a great way to minimise potential harms and keep them safe when using the platform.

Talking with your child about what they are using WhatsApp for is valuable because it can create a safe space in which they feel comfortable in sharing any concerns they have.

Once this dialogue and trust has been established, it will make it easier for them to come to you with any issues they encounter while using WhatsApp.

### BE A DIGITAL ROLE MODEL

We can be a digital role model by becoming more intentional about when, and how much we use our screens around the home.

To manage screen time, you could set clear rules such as agreeing a specific amount of time your child can spend on WhatsApp each day or agreeing periods during the day when no one will use their smartphones, for example this could be during meals, homework time, or before bed.

### CHECK PRIVACY SETTINGS

WhatsApp has a range of settings to help users stay safe, so why not set these up on your child's account?

A good place to start is to go to Settings -> Privacy -> Groups.

You can then select specific contacts that can add your child into groups. This can help prevent the challenge of being added into lots of different groups, sometimes with strangers.

### MINDFUL MESSAGING

When in a Group Chat on WhatsApp, it's all too easy for young people to get swept along and join in with unkind jokes or negative comments.

Encourage them to be mindful when they send messages with these strategies:

**Think Before You Send:** Encourage the habit of taking a moment to think before sending a message. Particularly if we're feeling upset or angry, taking a moment to breathe can help us to make a better choice.

**Set a Positive Example:** Model mindful messaging in your own behaviour. You could show your child some of the messages that you send, and show them how to communicate in a considerate way.

# COMMUNITY NEWS

Our Year 5 pupils are involved in Art Bytes, a national inter-school art competition. We are proud to announce that shortlisted artworks have been decided by their judging panel of esteemed industry professionals. Please visit our school's portfolio page (<https://artbytes.co.uk/browse-schools/>) to find out who our shortlisted artists are!

To determine our school's winning artwork that will be exhibited in the Art Bytes Virtual Gallery, we need to vote! The shortlisted artwork that receives the most votes wins, but also the school in England that received the highest number of collective votes wins the Community Engagement Award with fantastic art prizes from Dryad Education!

Underneath every shortlisted artwork on our school's page you will see [VOTE NOW](#) underneath the artwork. When clicking on "vote now", you will need to enter your email address, wait for a confirmation email and click "confirm" to verify your vote. This ensures only one vote per email is registered and any subsequent votes with the same email will override the previous vote.

Well done to all the children who took part!

**Excellence in how we worship, learn and work together!**
