Summer Term 1 Issue No.60

Dear Parent/Carer,

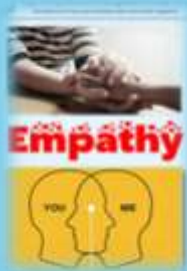

This week our year 6 pupils completed their SATS, they all worked hard and did their best. Well done to each child. A big thank you to the year 6 teachers and the staff team who kept the pupils focused on learning, growing in knowledge and motivated to achieve more each day. Thank you parents/carers for your continual support.

The words to this song I hope give strength to each of us

Ah, Lord God, Thou has made the heavens
And the earth by Thy great power
Ah, Lord God, Thou has made the heavens
And the earth by Thine outstretched arm
... Nothing is too difficult for Thee
Nothing is too difficult for Thee
Great and mighty God
Great in counsel and mighty in deed
Nothing, nothing, absolutely nothing
Nothing is too difficult for Thee

Let us mediate on His word and feel assured that it is well.
Philippians 4:13 'I can do all things through Christ who strengthens me.'

Have a blessed weekend
Ms Thomas

Learning In Focus

Yr3 Pupils visited the Imperial war Museum .

They had first hand knowledge of the various artefacts used during the World War and the Blitz.

A big thank you to Parents who accompanied during the trip

Excellence in how we worship, learn and work together!

The Lord is good, a stronghold in the day of trouble; he knows those who take refuge in him. (Nahum 1:7)

Many times we let what should be extremely special to us—things we should be extremely grateful for—become too commonplace.

Several years ago, Joyce Meyer was “prayer murmuring” to the Lord (praying but kind of murmuring at the same time), and she said, “Lord, why don’t I have those exciting, special things happen in my life like I used to when I first started to know You?”

The Lord immediately spoke to her heart so clearly. He said, “Joyce, I still do the same things all the time, it’s just that you’ve gotten used to it.” Ouch!

If we’ll stay amazed at the things God is doing in our lives—even the little things—we’ll never be without hope. I

Please be encouraged to realize what you have, be thankful, and decide to live amazed...jaw-dropping, wide-eyed, “Wow! That was God!” amazed.

Prayer

God I am grateful that You are always doing special things in my life, Lord, and I pray that I will recognize them and be generous in my praise and gratitude. Help me to live amazed!

In the words of CeCe Winans song, let’s sing of the goodness of God
Have a thankful weekend

ONLINE SAFETY NEWSFLASH

Jesse and Friends (4-7year old)

Jessie and Friends is a great resource, from CEOP (Child Exploitation and Online Protection Command) that parents can use to engage with their younger children (4-7) about worrying or frightening situations online. When children answer a question correctly they earn a star and can download a certificate to colour in. It can be found here: <https://www.ceopeducation.co.uk/parents/articles/4-7s-website/>

Wellbeing Apps for Kids (7-11 Year Olds)

With wellbeing increasingly hot on the agenda, helping children manage their health and wellbeing is a top priority. Nothing can beat getting out in the fresh air, meeting friends and having fun, but some children may find apps useful for things such as learning about emotions, managing anxiety etc. There are thousands of these types of apps, but to cut through the fog Internet Matters have put together a list which gives details such as: suitable ages, purpose, how the app works and (where applicable) the cost. View it here: <https://www.internetmatters.org/resources/wellbeing-apps-guide-for-kids/#wellbeing>

COMMUNITY NEWS

Our Year 5 pupils are involved in Art Bytes, a national inter-school art competition. We are proud to announce that shortlisted artworks have been decided by their judging panel of esteemed industry professionals. Please visit our school's portfolio page (<https://artbytes.co.uk/browse-schools/>) to find out who our shortlisted artists are!

To determine our school's winning artwork that will be exhibited in the Art Bytes Virtual Gallery, we need to vote! The shortlisted artwork that receives the most votes wins, but also the school in England that received the highest number of collective votes wins the Community Engagement Award with fantastic art prizes from Dryad Education!

Underneath every shortlisted artwork on our school's page you will see [VOTE NOW](#) underneath the artwork. When clicking on "vote now", you will need to enter your email address, wait for a confirmation email and click "confirm" to verify your vote. This ensures only one vote per email is registered and any subsequent votes with the same email will override the previous vote.

Well done to all the children who took part!
