Spring Term 1 Issue No.58

23/04/2024

Dear parent or guardian,

Lambeth Council is introducing a School Street at Holy Trinity C of E Primary School & Holmwood Nursery during drop off and pick times. This temporary prohibition of vehicles aims to help reduce road danger on the road, improve air quality and increase active travel to school, creating a safer and more pleasant environment at the school gates.

The School Street will be introduced on 3 June 2024.

What happens next?

The School Street will operate on Upper Tulse Hill between the junctions of Ostade Road and Claverdale Road, and Maplestead Road in its entirety, introducing a temporary prohibition of vehicles between 8:15-9.15am and 2.45-3.45pm, Monday to Friday during term time.

Please see the map on the reverse for details of the School Street closure points.

Residents and Blue Badge holders who require access will still be able to access the road at all times by applying for an exemption. Emergency vehicles will also have access. Other motor vehicles, including those driven by parents to drop off or pick up children at the school gates, will be restricted during these times.

Any questions you may have please visit www.lambeth.gov.uk/schoolstreets or email schoolstreets@lambeth.gov.uk

Or by calling: 020 7926 9000

Lambeth Council will be collecting feedback on the School Street for six months from 3 June 2024.

Helping you to walk and cycle

There are also many ways the Council can support you to travel more actively. There is free cycle training for all, a bicycle rental scheme and many others. For details of help we can offer for you to switch to more sustainable modes of travel please visit: www.lambeth.gov.uk/activetravel

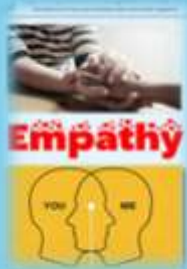

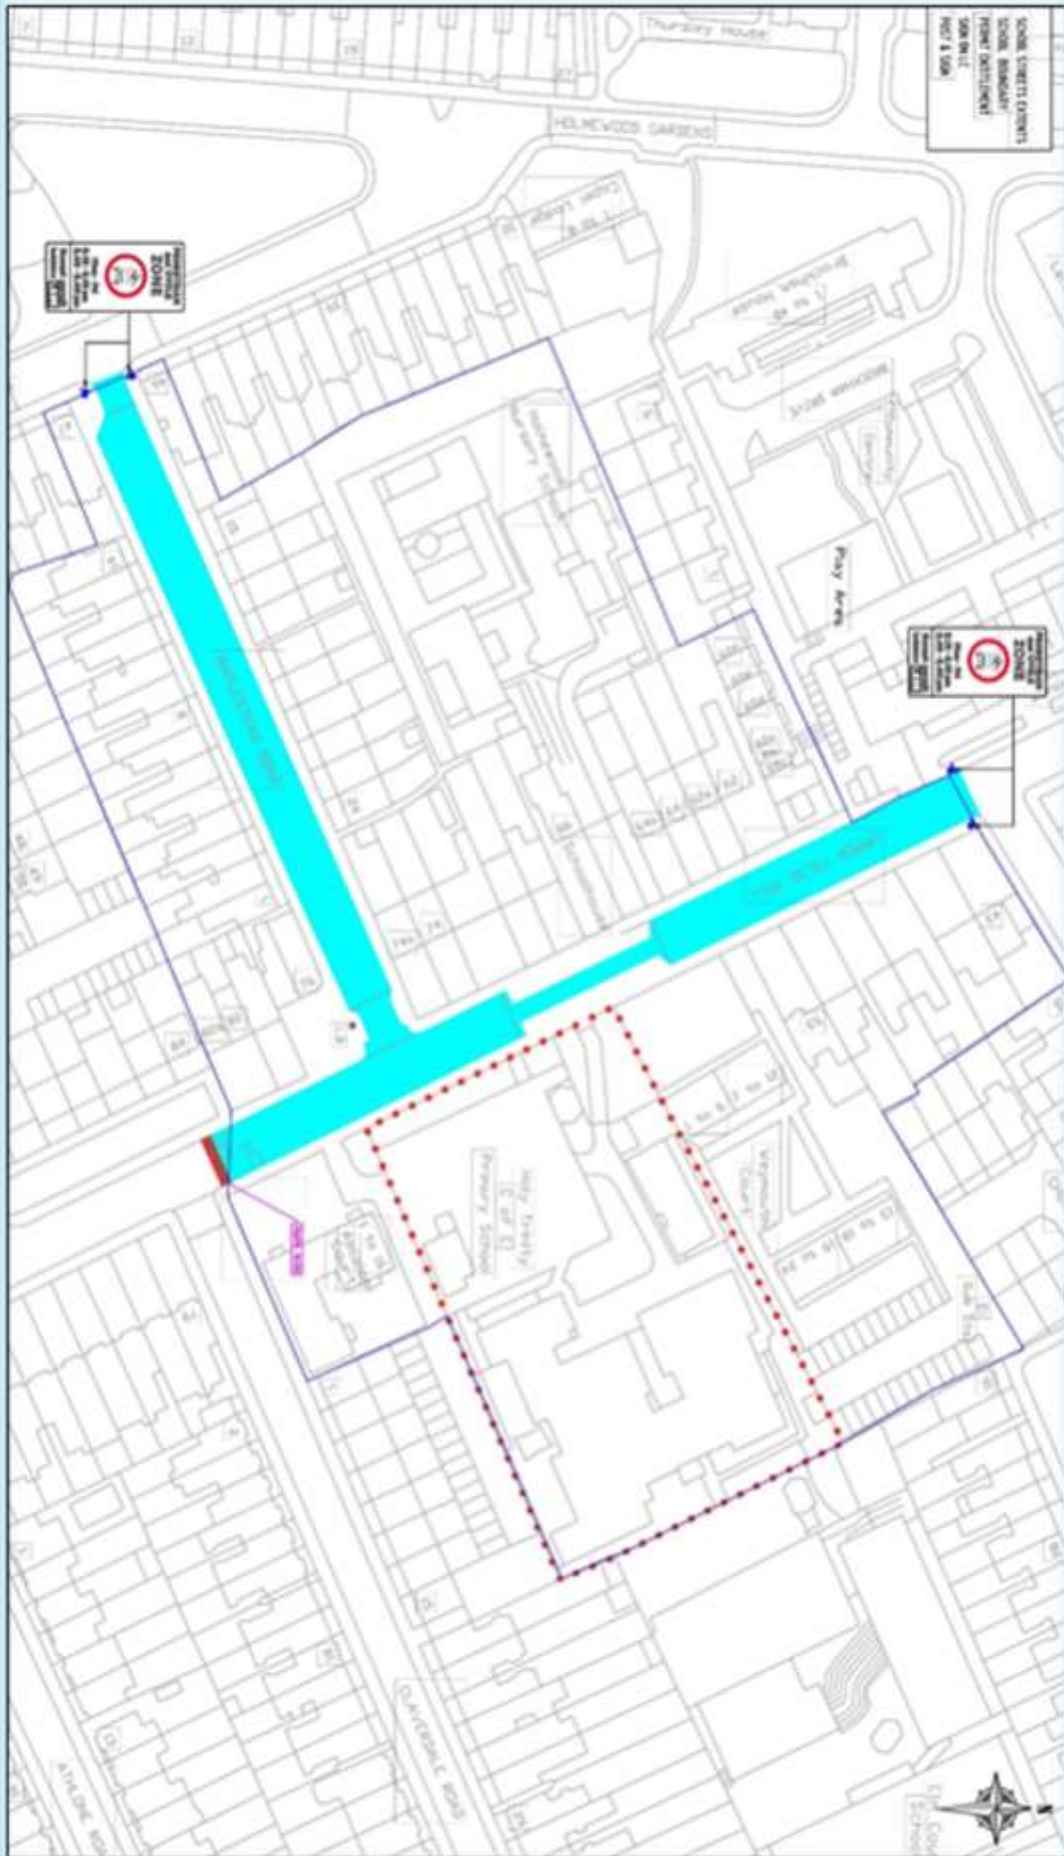

Thank you for your support of School Streets.

Yours sincerely,

Rezina Chowdhury
Cabinet Member for Sustainable Lambeth and Clean Air

Fruit of the Spirit
Peace

But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, Meekness, temperance: against such there is no law.
Galatians 5:22-23

Jesus said in the book of John 14: 27 “ **Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid**”

If there is something the world needs critically at this season, it is “Peace”. As we look around us today, we find that nations are up against nations, so much destruction and human suffering is before our eyes.

We hear the phrase “Peace comes at a price” and that price is if we all put aside our differences, and forgo our being right at all times, we will move closer to that path of Peace.

However the only true, real and lasting path to peace is if we stay true to what Christ tells us in the later part of John 14: 27. We should not let our hearts be troubled by anything, neither should we be afraid. Our Heavenly father has it all under control.

As we embark on this long weekend with Monday as a bank holiday, let’s choose to give it all to God, and watch Him fill us with His Peace.
Have a restful and blessed weekend.

ONLINE SAFETY NEWSFLASH

WHATSAPP PARENT GUIDE

AGE RATING: 13+

ENCOURAGE CRITICAL THINKING

Have a conversation with your child about treating messages from unknown numbers with caution. When we receive a message from an unknown number, we should ask the following questions:

Does this message sound like something a friend or family member would send?

Is this message asking me to share information or click on a link?

Agree with your child that if they ever have a funny feeling about a message they receive, they will tell you about it.

TALK ABOUT IT

Open and regular conversations about your child's activity on WhatsApp are a great way to minimise potential harms and keep them safe when using the platform.

Talking with your child about what they are using WhatsApp for is valuable because it can create a safe space in which they feel comfortable in sharing any concerns they have.

Once this dialogue and trust has been established, it will make it easier for them to come to you with any issues they encounter while using WhatsApp.

BE A DIGITAL ROLE MODEL

We can be a digital role model by becoming more intentional about when, and how much we use our screens around the home.

To manage screen time, you could set clear rules such as agreeing a specific amount of time your child can spend on WhatsApp each day or agreeing periods during the day when no one will use their smartphones, for example this could be during meals, homework time, or before bed.

CHECK PRIVACY SETTINGS

WhatsApp has a range of settings to help users stay safe, so why not set these up on your child's account?

A good place to start is to go to Settings -> Privacy -> Groups.

You can then select specific contacts that can add your child into groups. This can help prevent the challenge of being added into lots of different groups, sometimes with strangers.

MINDFUL MESSAGING

When in a Group Chat on WhatsApp, it's all too easy for young people to get swept along and join in with unkind jokes or negative comments.

Encourage them to be mindful when they send messages with these strategies:

Think Before You Send: Encourage the habit of taking a moment to think before sending a message. Particularly if we're feeling upset or angry, taking a moment to breathe can help us to make a better choice.

Set a Positive Example: Model mindful messaging in your own behaviour. You could show your child some of the messages that you send, and show them how to communicate in a considerate way.

COMMUNITY NEWS

Our Year 5 pupils are involved in Art Bytes, a national inter-school art competition. We are proud to announce that shortlisted artworks have been decided by their judging panel of esteemed industry professionals. Please visit our school's portfolio page (<https://artbytes.co.uk/browse-schools/>) to find out who our shortlisted artists are!

To determine our school's winning artwork that will be exhibited in the Art Bytes Virtual Gallery, we need to vote! The shortlisted artwork that receives the most votes wins, but also the school in England that received the highest number of collective votes wins the Community Engagement Award with fantastic art prizes from Dryad Education!

Underneath every shortlisted artwork on our school's page you will see [VOTE NOW](#) underneath the artwork. When clicking on "vote now", you will need to enter your email address, wait for a confirmation email and click "confirm" to verify your vote. This ensures only one vote per email is registered and any subsequent votes with the same email will override the previous vote.

Well done to all the children who took part!
