[@Holy_TrinityCE](https://twitter.com/Holy_TrinityCE) Summer Term 2 Issue No.65

Dear Parents/Carers,

We have had a glorious week with sunshine and a healthy buzz of busy children working and playing.

Continuing with our theme in collective worship of 'The Parables of Jesus, Mr Brooks retold the story of The Rich Fool, the children shared their understanding the impact of hoarding material wealth.

They also shared many reasons to share and work together as a school and a community

He reigns! Thank you to Ms Katerina for leading the whole school in singing beautifully, one of our favourite songs.

May everyone have a wonderful weekend and hopefully see you all at our summer fayre on Saturday 29th June 2024 1- 5pm

God Bless

Ms Thomas

Excellence in how we worship, learn and work together!

Holy Trinity Values Ambassador

Our Pupil Values Ambassador this week is
Ike Thiago Maida Gonzales

You helped a friend who was hurt, you are a very considerate and caring pupil and an excellent role model for others. well done

Holy Trinity Staff Values Ambassador

Our Staff Values Ambassadors this week is
Ms. Joyce Attara

You always go above and beyond to ensure all children are provided with quality education for the whole child
Thank you.

Excellence in how we worship, learn and work together!

Holy Trinity 2024 Summer Fair

UPPER TULSE HILL, LONDON SW2 2RL

•Adults - £1

•Children- Free

Excellence in how we worship, learn and work together!

Holy Trinity Summer 2024 Concert

HOLY TRINITY SCHOOL

SUMMER CONCERT

Friday 5th July at 3.30pm

In the top playground

(or in the hall if raining)

Come and enjoy the
wonderful music by the pupils and
staff of Holy Trinity

Steel Pans, orchestra, woodwind,
Holy Trinity Gospel choir and much
more...

DONATIONS WELCOMED ON THE DOOR

Excellence in how we worship, learn and work together!

Appreciation

The last 2yrs has seen Holy Trinity put together great activities such as Summer Fair, Valentines Disco, Sale of Ice cold lollies, and many more initiatives that have raised money for the school.

This has only been made possible by the wonderful PTFA team we have in place.

Since September 2022 when they were voted in as PTFA, their dedication , hard work and enthusiasm has seen the success of many initiatives. They go beyond the call of duty, and put a lot of passion into what they do. As we prepare for another wonderful Summer Fair tomorrow, packed with goodies, it is right to dedicate this page to this wonderful team and to all those who work with them behind the scenes

To you all we say a very big thank you to you for all you do.

God bless you

This is to you all

Excellence in how we worship, learn and work together!

Ecclesiastes 3: 1-8 tells us:

To every thing there is a season, and a time to every purpose under the heaven:

² A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

³ A time to kill, and a time to heal; a time to break down, and a time to build up;

⁴ A time to weep, and a time to laugh; a time to mourn, and a time to dance;

⁵ A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;

⁶ A time to get, and a time to lose; a time to keep, and a time to cast away;

⁷ A time to rend, and a time to sew; a time to keep silence, and a time to speak;

⁸ A time to love, and a time to hate; a time of war, and a time of peace.

The Image of a tree above shows us the various season it goes through. We can see that from a faint colour it changes to bright colours depending on the season.

This is same with our lives, we go through different season, not seasons based on the weather like the tree, but seasons of life as we grow, and with each season comes different experiences, some challenging, some good and some bad.

But with every experience, we grow stronger and wiser.

Which season are you in now? & what are you experiencing during that season? Are you giving God the platform to see you through that season?

Have a restful weekend.

ONLINE SAFETY NEWSFLASH

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about PALWORLD

In Palworld, players head out into an environment where they must craft items and survive alongside creatures called 'Pals'. In this sense, it's similar to Minecraft: fight monsters while maintaining a base. Palworld has sold more than six million copies and often has over two million people playing online simultaneously.

WHAT ARE THE RISKS?

MATURE CONTENT

18
CENSORED

While Palworld may look cute and cuddly, the game does have its more mature moments. For example, if you try to catch a Pal and don't succeed, the game displays a mild swear word. There are also minor references to inhumane acts like slavery when getting your Pals to perform certain tasks for you. While the presentation is intended to be humorous, this could still be seen as being in poor taste.

VIOLENCE

Palworld has been referred to as "Pokémon with guns" and with good reason. As the game progresses, Pals can be given firearms, explosives and other weapons, allowing them to fight by the player's side. There are several moments where cute animals use these guns to kill other Pals or fight against bosses. The violence is cartoonish and bloodless, but it's present.

SUGGESTIVE WRITING

Some of the Pals' descriptions - found in the game menu - can be very suggestive and adult in nature. The game makes a joke at balancing on the line between age-appropriate and mature content; playing on the contrast between the two while never being outright explicit. While it's possible that younger players won't notice this content, it's just as conceivable that they will.

ONLINE PLAY

Palworld can be played with other people online. On Xbox, players can only play with people on their friends list. On PC, however, up to 32 players can share in the same game, playing in a large online world, and these players may not necessarily be known to the host beforehand. It can be quite complicated to set up these servers. However, it can be quite complicated to set up these servers (online worlds) and they cost money to keep active.

DIFFICULTY

Despite its endearing visuals, Palworld is actually an extremely difficult game in places: defeating bosses, catching Pals and exploring the environment can all be very tricky. It takes a lot of skill - or working together with a friend - to be successful, which could be off-putting or even aggravating to a player expecting something more like Minecraft or Pokémon.

Advice for Parents & Educators

WATCH GAMEPLAY

Watching gameplay and reviews for Palworld on sites like YouTube is the best available means of gathering information on it, second only to playing it for yourself. Currently, there are plenty of videos showing this game off to the internet at large, along with detailed breakdowns of what can be found or done within it.

LEND A HAND

By learning the basics of the game - Pal catching, battling, crafting items and building up a base - you can help to lower the difficulty for younger players. This, in turn, decreases the likelihood that such players will need to look online for tips and tricks, where they could quite easily stumble across more violent and mature content associated with the game.

SET CONTENT LIMITS

As Palworld is available on Xbox Game Pass, it's easy for players to access it. Any player subscribed to this service can simply find the title on Game Pass and hit the download button. If a child or young person isn't allowed to play Palworld, the best way to prevent them downloading it regardless is to enable age limits on their account. Setting the limit below 13 will not allow users to install Palworld.

PLAY TOGETHER

By playing Palworld yourself, you'll have the best chance of catching any content that you don't think is suitable for children, as well as getting an idea of how violence is presented in the game. The conflict is cartoonish in nature - until players and Pals unlock the ability to use guns, at which point it can become more intense. It's likely best for you to give it a look and form your own opinion.

PLACE BOUNDARIES

Limit options when it comes to online play. For players on PC, they'll still be able to cooperate with friends through the game's multiplayer option, much like Xbox users. Just because they have the option to run a dedicated server that's open to anyone doesn't mean they need to take it. The risks of interacting with strangers can be significantly lowered or even eliminated entirely by playing on servers which are restricted to friends only.

Meet Our Expert

Editor in Chief of gaming and esports site GGRecon, Lloyd Coombes has worked in the games media industry for five years. He's played every Tekken title since the series began and, as a parent, also values the importance of online safety. Writing mainly about tech and fitness, his articles have been published on influential sites including IGN and TechRadar.

10 Top Tips for Parents and Educators PROMOTING PHYSICAL WELLBEING

Physical activity isn't only beneficial for our bodies; it also plays a role in promoting mental wellbeing. With both the Euros and the Olympics this summer, it's an opportunity to engage young people in regular exercises which can reduce stress, improve mood and boost self-esteem. Despite these benefits, many children face barriers to participating in physical activity.

1 MAKE IT FUN

Integrate activities that children enjoy, such as playing games or dancing. Encourage participation in team sports or group activities to foster social relationships and a sense of belonging.

2 MIX MOVEMENT WITH LEARNING

Integrating physical activity into lessons increases attention and cognitive function. Embedding exercises into the curriculum can also enhance learning and children's overall health and wellbeing.

3 CREATE OPPORTUNITIES

Provide clear choices for physical activity throughout the day. Both in-school and out-of-school, encourage active play during breaks and out-of-school, when setting a good example can help keep children up and about.

4 PROVIDE POSITIVE REINFORCEMENT

Praise and encourage children for their efforts and achievements in physical activity. Recognise their progress and celebrate their successes to reinforce positive behaviour. Encouragement can be given in several ways, such as applauding their efforts at assemblies or celebrating their achievements in newsletters.

5 VARIETY IS KEY

Introduce a selection of physical activities to keep children engaged and prevent boredom. From swimming and cycling to yoga and martial arts, trying different types of exercise can help children to discover what they enjoy most.

6 ENJOYMENT OVER COMPETITION

Encourage children to focus on the enjoyment of physical activity rather than winning or outshining others. Emphasise effort, improvement and having fun with others. Success in activities like sports is more about the progress and enjoyment than the final result.

7 SET REALISTIC GOALS

Help children set achievable physical activity targets based on their interests, skills and preferences. Celebrate their progress and successes to maintain motivation and enthusiasm.

8 MAKE IT ACCESSIBLE

Ensure that children have access to safe, suitable spaces for exercise at home, at school and in the community. Advocate for facilities and services which accommodate different needs and abilities. Be a change maker in your community if facilities aren't already available.

9 LEAD BY EXAMPLE

Parents and carers can be positive role models by prioritising their own exercise and leading children in their fitness routines. Involvement in physical activity can be a rewarding experience for bonding and staying active together.

10 ENCOURAGE PERSISTENCE

Help children develop resilience and persistence by encouraging them to overcome challenges and setbacks in physical activity. Teach them the importance of perseverance and the value of effort in achieving their goals.

Meet Our Expert

Adam Millitt is a learning and development specialist who, as well as working for Maths Ahead, is assistant vice principal for personal development at a large secondary school in Barnsley. He was asked to be part of an expert network group for the Department for Education, one of only three school leaders to be asked to do so.

Family Pairing

Some apps allow 'family pairing' which, depending on the app, can do a variety of things such as:

- Manage screen time.
- Apply restricted mode (content restrictions).
- Manage who children are talking to and what's being shared (including images).

Of the more popular apps, here are ones that allow family pairing along with a link which describes what family pairing is, the features available and how to set it up:
