FAITH FOUNDATION

As we prepare to welcome first Sunday in Advent we look at the subject of waiting. Something most of us find difficult.

We are not used to waiting these days! The incessant pace and demand of life, especially through electronic media makes us increasingly impatient and intolerant of having to wait. I am not happy if my computer screen does not instantly spring into life on demand!

Advent is about watching and waiting for the coming of God to complete his work, but doing so in activity and hope.

On Advent Sunday we who are Christian disciples, are reminded by our scriptures that, though the world seems bleak and broken at times, God is going to complete the job he started in Bethlehem on that first Christmas, and continued in Jesus' loving death and mighty resurrection at Easter.

Advent is about the sure and certain hope that God will finish what he has started, that justice and right will triumph in the end and that he wants us to be part of bringing that future about.

God we are ever so thankful to you for the Grace that you have given us all to wait, even when it seems that during the time of waiting we are under immense pressure, we are reminded that those that wait upon the Lord shall renew their strength, they shall mount up with wings like eagles, they shall run and not faint.

God we ask that you give us that strength to wait as you perfect your work in us, through us and with us. Amen

Have a restful weekend

Dear Parent/Carer

I'm delighted to let you know that this winter Lambeth Council will be hosting our Holiday Activities and Food Programme.

We are partnering with local holiday club providers across the borough to provide an exciting programme of meals and activities for children and young people in our local communities. Free places are available for children between the ages of 4 and 16 years, who are eligible for benefits-related school meals.

The programme will run from **Monday 23 December, 2024 to Friday 3 January, 2025** and is designed to give local families on benefits-related free school meals access to free, healthy food and fun activities over the winter holidays. Each programme will provide:

- Free, healthy, and tasty food
- Fun physical activity sessions
- A wide range of other activities to suit different ages and personalities
- Opportunities to learn more about food and nutrition for children and families.

To find out more scan the QR code or visit the web address below. I hope your family can take full advantage of the winter programme.

If you'd like to learn more about what Lambeth Council has on offer to support with the increased cost of living, such as food vouchers, free childcare and access to pre-loved school uniform, visit www.lambeth.gov.uk/whatsoffering

We want to harness the power and pride of our people and partnerships, to proactively tackle inequalities so that children and young people can have the best start in life.
