LENT SEASON PART 2

As part of our Lent season topic this week we shall be looking at the subject of Pride. This is one area in our lives that we all struggle with at some point. For some it is as a result of life's challenges, for some it is as a result of how others have treated them and for some it can be as a result of success and how much we have may acquired and achieved in life.

Whichever of the above that may resonate to you, Pride is something we all struggle with at some point in our lives, and as the saying goes.

"Pride comes before Fall"

However, from a scriptural context, and as we are in the season of Lent what lessons can we learn from the life of Jesus Christ when it comes to Pride. First of all, Jesus was a man of no reputation, as the scripture rightly tells us in Philippians 2: 7-10

"But made Himself of no reputation, taking the form of a bondservant, and coming in the likeness of men. ⁸And being found in appearance as a man, He humbled Himself and became obedient to the point of death, even the death of the cross. ⁹Therefore God also has highly exalted Him and given Him the name which is above every name."

Jesus did not let his fame amongst those who believed in him, heap pride on him, instead he was humble all through his life. he mixed with the poor, the lowly, the neglected and he cared for them.

Has God placed you in a position of fame and authority? Have you allowed that elevation put a garment of Pride on you? Remember that fame & success will take you high, but what will sustain you is Character. 1 John 2:16 talks about the pride of life which refers to sinful desires and boasting about oneself, often linked to worldly possessions and achievements, rather than focusing on God.

Let us reflect, look inwards, and ask ourselves the question. "How humble am I."

Lord help us during this season of Lent to learn from your humility which led you to give up your life for us all. May we continually aspire to live in humility and kindness in Jesus name. Amen

God Bless you and have a restful weekend

ONLINE SAFETY NEWSFLASH

What you need to know about Roblox

Online multiplayer games like Roblox are enjoyed by millions across the world and can be a great way for friends to socialise; however, they can also expose young people to variety of potential harms. Roblox is a multi-platform game that enables people to play anonymously, which can often be something that attracts people to misuse the game and put younger players at risk of harm.

In addition to interacting with random strangers across the world, it's important to be aware of other risk factors, such as in-game purchases and potential scams that can put young people at risk financially. The National College have created a free guide – also available in podcast format – offering parents and educators expert advice about what can be done to ensure that young people have a safe and enjoyable experience with Roblox.
