## Music is at the heart of our worship

Dear Parents/Carers,

This week, our pupils demonstrated their musical talents by performing to parents and pupils. In year 5, Lion Class impressed us with their violin rendition of a number of songs including Manhattan Blues.

The music teacher, Jose, highlighted that their skill and attitude to learning were exemplary, and as a result, in one year, they had made accelerated progress equivalent to that of two years of violin practice.

Thank you to Mr Jose for all your hard work and well done Lion Class.

Today, Denzil, Nicholas, Esther, and Isabella rose to the occasion of performing to the audience. Each child played a short piece of music on the piano. They were magnificent and demonstrated skill and confidence as they played. Well done to Nicholas, Denzil, Esther, and Isabella.

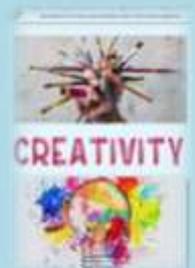

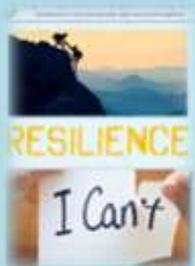

Their piano teacher, Miss Ava, expressed that they were very focused and played exceptionally well. Thank you to Miss Ava for all your hard work.

## Excellence in how we worship, learn, and work together

We give thanks once again for a productive and positive week filled with the children's joy of learning at Holy Trinity.

Have an amazing weekend

## HAF SUMMER

### Lambeth's Holiday Activities & Food

Dear Parent/Carer

I'm delighted to let you know that this summer Lambeth Council will be hosting our Holiday Activities and Food Programme.

We are partnering with local holiday club providers across the borough to provide an exciting programme of meals and activities for children and young people in our local communities. Free places are available for children between the ages of 4 and 16 years, who are eligible for benefits-related school meals.

The programme will run from **Monday 28 July to Friday 29 August 2025** and is designed to give local families on benefits-related free school meals access to free, healthy food and fun activities over the summer holidays. Each programme will provide:

- Free, healthy, and tasty food
- Fun physical activity sessions
- A wide range of other activities to suit different ages and personalities
- Opportunities to learn more about food and nutrition for children and families

This year we are introducing a new way to book with providers. We are using a booking system called Eequ. You will be able to book up to 16 sessions per eligible child, with all 60+ providers in Lambeth, from Friday 27 June at 8am. You are able to visit the platform from today and register your interest in activities, but the full range of activities on offer may not be available until 27th June at 8am.

To find out more scan the QR code or visit the web address below. I hope your family can take full advantage of the summer programme.

# ONLINE SAFETY NEWSFLASH

## Holiday Conversations

The holiday period is an ideal time for parents to sit down with their children, play their games and use their apps to get to know the endless fun but also the potential risks. Conversations can be difficult, especially if the parent isn't a user of tech, but conversation is the most powerful risk-mitigator of all. So where do parents start?

The NSPCC have put together a fabulous page full of information such as:

- Age appropriate conversations taking into consideration different ages.
  - Resources such as tips and quizzes.
  - An understanding of some of the risks.
- And tackling difficult conversations.

A great one to share with parents and you can find the page here:
